Park Perfection

Five Good Sam Parks score perfect 10s

The evaluators for the *Trailer Life RV Parks and Campgrounds Directory* are exacting when it comes to giving out perfect marks. In the 2010 edition, only five out of more than 1,600 Good Sam Parks earned a perfect score:

- **Bella Terra of Gulf Shores**, Foley, Alabama
- **Evergreen Park RV Resort**, Mount Eaton, Ohio
- **Las Vegas Motorcoach Resort**, Las Vegas, Nevada
- **Pheasant Ridge RV Resort**, Wilsonville, Oregon
- **Seven Feathers RV Resort**, Canyonville, Oregon

"These parks go above and beyond to consistently maintain high standards in all areas," says Joe Daquino, president of the club division of Affinity, parent company of the *Trailer Life Directory* and Good Sam.

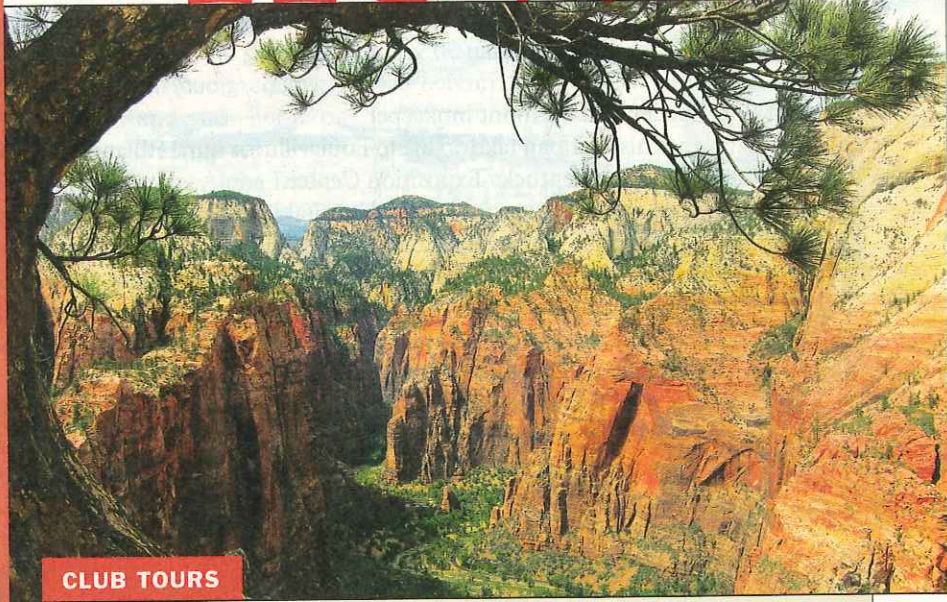

For RV parks, a perfect *Trailer Life Directory* rating means scoring 10 in three categories:

- 1) Completeness of facilities
- 2) Cleanliness and physical characteristics of restrooms and showers (a star indicates full points in cleanliness)
- 3) Visual appeal and environmental quality.

Meeting these standards is no easy feat. "We strive our best to provide excellent customer service and to keep a high rating," says Yvette Martinez, general manager of Las Vegas Motorcoach Resort. "The hardest part is completeness of facilities. You need to give the customer a full range of amenities in a limited amount of space."

CLUB TOURS

The West at Its Best

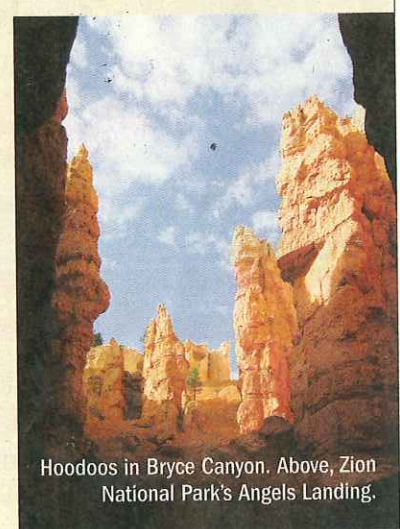

Journey with Good Sam on a grand tour of five national parks

No travel scrapbook is complete without pictures of Yellowstone's Old Faithful geyser, the jagged peaks of the Grand Tetons, the red-rock sculptures of Zion and Bryce canyons and the seemingly limitless vistas of the Grand Canyon.

The Good Sam Club's National Parks Caraventure, July 17 through August 3, serves up all of these photo ops and more with an itinerary that takes in five western national parks as well as tours to nearby attractions and a whitewater rafting trip. Seasoned guides will assist you and your fellow RVers on the club-sponsored tour, letting you focus on the sights and scenery, not routes and reservations.

The tour kicks off in Wyoming and winds up in Arizona. Included along the way are 17 nights of RV camping with full hookups. Tour-takers also will be treated to IMAX film presentations of Zion and the Grand Canyon. For more information, visit the website below and select Events and Tours.
